Dear Dr. Jayavanth,

It is with great pleasure that I express my whole-hearted thanks and congratulations to you for the fantastic work in organizing the Asian Cultural Nite on August 27. The event was no doubt a great success with excellent performances and timely execution of programme. I and my wife thoroughly enjoyed the evening and I am confident so did everyone in the hall with the audience number exceeding the number of available chairs. As Patron of the Indian Association Cambodia, I want to compliment and thank you and through you all members of the organizing committee for their untiring efforts in ensuring the success of the programme. I wish to put on record that you all as a team have set a standard, which is not easy to replicate, for organizing an extraordinary show involving so many artistes from 8 different countries. At the same time, I wish to extend my sincere appreciation to all the performers who participated in the programme. Please convey my most sincere thanks to all of them. This event could not have been a success without their efforts and the amount of hard work and time devoted by them.

Congratulations once again and best wishes for your future endeavours.

with best regards,

Yours sincerely,

(Rajesh K. Sachdeva)
